## Agape Kids Choir (AKC)

AKC announces 2019 U.S. tour titled "Because of His Love" and begins rehearsals

This past January auditions were held for the 2019 choir tour and over 200 children auditioned. So much has happened since January and we couldn't be more excited! Sixteen talented children were chosen to represent AKC on tour and have all moved into a home for the next five months they have named the "house of love". In addition to starting rehearsals, all the children have been cleared medically by a doctor and have received new bedding (beds, pillows, blankets and mosquito nets). The chaperones have been selected and moved into the house to facilitate rehearsals and begin the discipleship program that all choir members will complete before tour begins. Documentation is being gathered and organized to petition for the visas needed to travel to the U.S. Here are three ways you can pray for us...

1

### PASSPORTS

Three choir members still need to receive their passports. Please pray that they do.

2

### TRAVEL

Please pray that the needed funding would be provided for the travel to the U.S.

3

### THE CHILDREN

We're praying that the children would grow in their love for the Lord and for their health.

### Because of His Love

The AKC tour theme comes from Eph. 2:4-5

### Swimming Lessons

AKC choir members received swimming lessons

## God is moving powerfully through AICM Uganda

Photo: AICM staff lead a center day for Agape Community Child Sponsorship (ACCS) program.

Center days for ACCS have been one of the highlights in this season of ministry for AICM. These gatherings for the sponsored children are filled with fun, games and loads of laughter. But they aren't only fun and games. Center days also include mentoring, home visits, recognition of academic achievements, health check-ups, and hygiene training for long term health.

**“The joy unspeakable as the children laugh and play at center day. Letting the kids be kids again and making sure they know that they matter” - center day staff**

*We believe that through your sponsorship God can use you to impact the lives of forgotten and marginalized children in Uganda. Will you partner with us in our dream go change the life of each child in need?*

### STAFF SPOTLIGHT

MEET MONICA. SHE IS OUR FINANCIAL GUARDIAN FOR THE AICM OFFICE IN UGANDA. SHE LOVES JESUS AND IS A PASSIONATE FOLLOWER OF HIS WORD. MONICA IS MARRIED AND HAS TWO CHILDREN. MONICA IS A BLESSING TO OUR STAFF AND TO ALL OF OUR SPONSORS AS SHE KEEPS THE FINANCES IN ORDER AND GIVES GREAT ACCOUNTABILITY FOR HOW ALL THE MONIES ARE SPENT.

**PLEASE PRAY FOR MONICA AS SHE RETURNS BACK TO FULL TIME WORK AFTER HER MATERNITY LEAVE.**
