STAFF MEMBERS OF AICM & ACV, GIVING THANKS

SAM SANYWA aka UNCLE SAM, Sponsor Coordinator
I had always desired to inspire and mentor people. My prayer request was always for God to provide a platform for me to do it. Thank God for ACCS I have access to kids whom I visit in their homes and share a lot of life experience and point them to Christ. This is my greatest satisfaction.

MONICA NAMUSUBO OPIO, Financial Guardian
HI, I am Monica, I am so grateful to God for the gift of life. I thank God that the year is almost coming to an end and I have been pruned in character and my faith in God. God has made me a better wife to my spouse, a better mother, a better friend, a better person to live around with, and a better team member at AICM ministry. I am so thankful to God for 2018. At AICM God has been gracious to provide us with space and an organized office with each one's role being specific. Our new set systems are quite easy to follow and promising as each day we become efficient at executing our assigned duties and accomplishing targets. I am looking forward to greater days and growth for AICM, spreading its wings to other parts of the country and I am so happy to be part of its start. Praise God.

Kids Quotes of Thankfulness . . .

NAMUGWANYA TEDDY #55

I am thankful to God for bringing ACCS in my life; this year through ACCS I received a Sponsor, I study without fear of being sent Home, I have my medical bills taken care of, all because God gave me a sponsor who loves me and prays for me. I am so blessed.

If the only prayer you ever say in your entire life, is THANK YOU, it will be enough
